Dear Kristen,

This letter is in regards to the compliance check of your Level B, Registered Child Development Home completed on 11/14/14. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

110.5(8) Children's Files

110.5(8) An individual file is maintained for each child and **updated annually or when there are changes**. Each file contains: **The children's files must be updated annually with the emergency medical authorization completed yearly. If the parent wants to review, edit and re-sign and date the intake and emergency medical authorization instead of completing a new form that is ok. I suggest you pick a date, such as the first of the year, beginning of school, your birthday or anniversary, Valentine's Day, etc. On that date I suggest you double check for a current physical form and immunizations (if there were any updates) and have the parents redo or re-sign the emergency medical and intake information.**

☐ 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually. **Need for: EW .**

I am enclosing the new physical form for documentation of provider's physicals. This form is now required for yourself, your household and any substitute providers. This new form replaces the prior one but this new form is required to be used. The good news, a physical is now required only 3 years instead of every 2 years.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

☒ Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 45 days of receipt.
